

Danny Casale - Please Don't Be So Sad

tom:

G
 Sometimes you get just a little bit sad
 And that's okay, sometimes is fine
 G D
 But when you're sad just a little too long
 F C
 You feel as if it's time
 G D
 To do something that you shouldn't do
 F C
 Or say something really dumb
 G D
 And be real nasty to yourself
 F C
 And mean to the people you love
 G D
 Don't be so sad
 F C
 Things are fine, it's okay, I promise you all that
 G D
 Life is beautiful
 F
 We just need some reminders because
 C
 You're forgetful
 G
 Like birds and bees
 D
 And summer cold treats

F
 Cloud watching and
 C
 Cotton candy
 G
 Nice texts from friends
 D
 That you weren't expecting
 F
 And catching your reflection
 C
 God damn you're sexy
 G D
 Movies that feel like they read your mind
 F C
 Hot chocolate, cappuccinos, lemonade, and wine
 G D
 The smell of new books and laundry out the drier
 F C
 And locking eyes with that cutie just as you walk by her... Or
 him
 G D
 Don't be so sad
 F C
 Things are fine, it's okay, I promise you all that
 G D
 Life is beautiful
 F
 We just need some reminders because
 C
 You're forgetful
 G
 That's cool
