

Danny Casale - Please Don't Be So Sad

```
tom:
Sometimes you get just a little bit sad
And that's okay, sometimes is fine
But when you're sad just a little too long
You feel as if it's time
To do something that you shouldn't do
Or say something really dumb
And be real nasty to yourself
And mean to the people you love
Don't be so sad
Things are fine, it's okay, I promise you all that
Life is beautiful
We just need some reminders because
You're forgetful
Like birds and bees
And summer cold treats
```

Acordes

```
Cloud watching and
Cotton candy
Nice texts from friends
That you weren't expecting
And catching your reflection
God damn you're sexy
Movies that feel like they read your mind
Hot chocolate, cappuccinos, lemonade, and wine
The smell of new books and laundry out the drier
And locking eyes with that cutie just as you walk by her... Or
Don't be so sad
Things are fine, it's okay, I promise you all that
Life is beautiful
We just need some reminders because
You're forgetful
That's cool
```
