

# Danny Jones - Big Love

Tom:

Intro: B B

B B  
Every little word you'd say, I'll be listening  
Every time you've been in pain, I'll be wishing anything E A  
Anything to take away the pain B B

B A  
Oh but that ain't enough

B B  
I just want big love, for you E A  
You deserve the biggest bed, is love you do Dbm7  
I ain't talking 'shoulders of the giants' Cm7  
This ain't rocket science A2  
I'm just sayin' what makes sense to me

B B  
Being on the other side is the hard part  
Now your smallest tears have dried E A  
You can get through anything B B  
Anything at all, go use your strength again

B A  
Oh but that ain't enough

B B  
I just want big love, for you E A  
You deserve the biggest bed, is love you do Dbm7
