

Danny Mirror - I Remember Elvis Presley

Tom: C
Intro: C F G7 C A7 Dm G7 C G7

Last night I turned radio on for the midnight news
Suddenly I thought I died of a broken heart
When I heard the announcer say

"Ladies and gentlemen, the King is dead
Elvis Presley just died in a hospital in Memphis, Tennessee
Forty-Two years on this planet, but he'll be here forever"

C F
I remember Elvis Presley
G7 C
Lord, how I love to hear him sing!
A7 Dm
So I'll adore him just forever

G7 C G7
For he's the one and only King

C F
I remember Elvis Presley

G7 C
And he won't ever set me free

A7 Dm G7
Like he was singing "Now Or Never"

C
He's just a golden memory

F C
(Uh, Uh, Uh)
Dm

Good luck charm is not forever

G7 C
Good luck songs we need 'em ever

D7
Again, again I'll play your songs

G7
'Cause in my mind you haven't gone

C Dm
Are you lonesome tonight? Do you miss him tonight?

F G7 C F C
Tell me, dear, are you lonesome tonight? (Uh, Uh, Uh)

F

My dear friend, I won't forget you

G7 C
When I need you, I can hear you

D7
King, though I don't know where or when

G7
There'll be a day we'll meet again

C Em Am Dm A7 Dm
Wise man say only fools rush in

F E7 Am Dm C G7 C
But I can't help falling in love again

(falado: C F G7 C A7 Dm G7 C G7)

Elvis Presley, I wanna thank you
For all the happiness you gave so many people
All over the world during many, many years
I remember the DJ was playing "Jailhouse rock"
When I had my first date with a beautiful girl
And since that evening you've been my friend, Elvis
