Prozac and coffee black

It's breakfast time again

You and me, recovery

Waiting for it to kick in

We fell in love

Got all screwed up

And held on for dear life

Oh lord we pray

We medicate until we're stabilize

We wore the crown

We painted the town

And climbed up on that hill

Got crucified and came back to life

With caffeine and a pill

Oh, Prozac and coffee black

That's it for me and you

New drugs of choice

We go and void all the highs that we once new

We wore the crown

We painted the town

And climbed up on that hill

Got crucified and came back to life

With caffeine and a pill

Prozac and coffee black

It's breakfast time again

You and me, recovery

When will this shit kick in?
