Tom: B

Intro: Dbm Ebm E

Meu coração não nego é negro é vermelho, sou brasileira
 Vermelho é o sangue que corre nas minhas veias, sou a bandeira

Sou Paraíba, paraibana
 Sou Paraíba paraibana
 Sou moça menina mulher, com fé e gana
 Sou moça menina mulher, com fé e gana

Sou nascer, sou por do sol
 Azul do mar, lua cheia
 Sou turmalina, sou farol
 Chão do sertão que incendeia

Brisa que vem do litoral, jardim de clima tropical

Sou flor do bem querer, brisa luz do amanhecer

Sou fruto, sou raiz
 Paraibanamente sou Feliz

Feliz, feliz
 Paraibanamente sou Feliz

Eu sou Paraiba, a fé e a gana

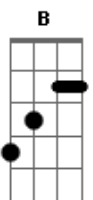

A alma que canta a alegria e a dor

Eu sou a arte, o suor, a magia

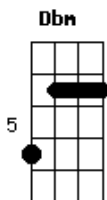

Eu sou a flor, o amor a poesia

Mulher macho sim senhor
