

# Danon Hill - She Came Along

tom:

Dbm

Dbm

At the wrong time she attempted

Then you decided to leave her

Alone in the dark where wolfs cry

And the bats fly around your

Head she whispers

Come along, come along

And I wanna know was it me or you

Who caused the fight she was going through

Come on in, tell me the

Truth right from the beginning

And I wanna know was it her or you

Who stopped the fight you were going through

Come on in, tell me the

Truth right from the beginning

( A Dbm B )

And the right ones you were leaving

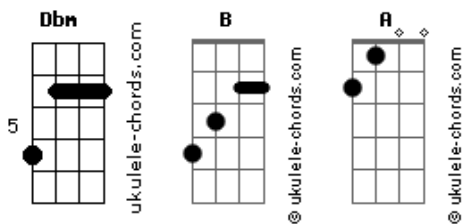

When she decided to lead you away

From the dark cause she?d know

What it?s like you would have made it up

If you?d know further on
