

# Danyo Cummings - You Don't Miss Your Water

Tom: F

acordes:

Intro: solo:

As I sail with you across the finest oceans  
 On a way to find the key to our emotions  
 Together we will move the clouds to brighter days  
 Some people question what I say  
 Tried to break up you and me  
 But I know this love between us is growing stronger  
 You can call me whenever from wherever  
 Just remember that  
 I'll be there  
 Through all the stormy weather  
 Us break up never  
 No we'll be together  
 Forever  
 You don't miss your water 'til the well runs dry  
 But I believe so strongly in you and I  
 Can somebody answer me the question why  
 You don't miss your water til the well runs dry  
 As I close my eyes  
 Sit back while reminiscing  
 Of when we used to fuss and fight but end up kissing  
 There may be sad and pain for time so long to wait

But in my heart you'll always be everything and more to me  
 For I know this love between us is growing stronger  
 You can call me whenever from wherever  
 Just remember that  
 I'll be there  
 Through all the stormy weather  
 Us break up never  
 No we'll be together  
 Forever  
 You don't miss your water 'til the well runs dry  
 But I believe so strongly in you and I  
 Can somebody answer me the question why  
 You don't miss your water til the well runs dry  
 For you are always on my mind  
 You are always on my mind  
 You are always  
 You are always on my mind  
 You are always forever  
 You don't miss your water 'til the well runs dry  
 But I believe so strongly in you and I I yeah  
 Can somebody answer me the question why  
 You don't miss your water til the well runs dry hum..  
 If you ever get the feeling  
 You wanna play around starting cheating, remember  
 You don't miss your water 'til the well runs dry
