

Terence Trent D'arby - Wishing Well

tom:

A

Bb

Kissing like a bandit, stealing time

Underneath a sycamore tree

Cupid by the hour sends valentines

To my sweet lover and me

Slowly but surely

Your appetite is more than I knew

Sweetly, softly

I'm falling in love with you

[Refrão]

Wish me love, a wishing well to kiss and tell

A wishing well of butterfly tears

Wish me love, a wishing well to kiss and tell

A wishing well of crocodile cheers

Hugging like a monkey see, monkey do

Right beside a riverboat gambler

Erotic images float through my head

Say you wanna be a midnight Rambler

Bb

Quickly, but quickly

The blood races through my veins

Quickly, loudly

I wanna hear those sugar bells ring

[Refrão]

Wish me love, a wishing well to kiss and tell

A wishing well of butterfly tears

Wish me love, a wishing well to kiss and tell

A wishing well of crocodile cheers,

get up

On the beat now, uh

Wish me love, a wishing well to kiss and tell

A wishing well of butterfly tears, c'mon

Wish me love, a wishing well to kiss and tell

A wishing well of crocodile cheers, uh

Yeah, I feel like goin' on

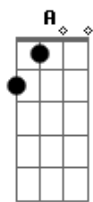

C'mon, c'mon

You're my midnight Rambler, baby

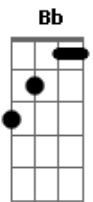

Wooh, dig it, for you anywhere

But all I know is what I want, baby
