Xô, meu sabiá

Xô, meu zabelê

Toda madrugada

Eu sonho é com você

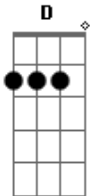

Se você não acredita

Eu vou sonhar pra você ver

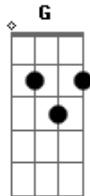

No sertão da minha terra

Zabelê piou chorando

Ai, agora saudade tá me matando

De manhã cedo

Canta, as jandaias

Vem as morenas

Sacudindo as saias

Mas à tardinha

Canta, as morenas

Vem as jandaias

Sacudindo as penas
