

# Dark Avenger - Can You Feel It?

tom:  
B (forma dos acordes no tom de C )

Afinação: Eb Ab Db Gb Bb Eb

There's a love in my heart  
That's is fading day by day  
There's a hole drowning my soul away

There's a void in my hand  
Since you have gone  
And a never ending tear in my eye

Not long ago my heart exulted

I had you my poor little boy  
Much long ago you've gone away

And I'm asking can you feel a mother's pain

Can you feel a mother's pain?  
Can you feel a mother's pain?  
Can you see my tears becoming a pouring rain?

Can you feel a mother's pain?  
Can you feel a mother's pain?  
Can you see?. Ohhhhhh

Along this lonely valley there's a river  
And no more tears to cry  
And no more tears to cry

Along this lonely valley there's a river  
To cry  
To cry
