

Dark Suns - Abiding Space

Tom: G
Intro: D Gbm Dbm D Gbm Dbm D Gb Dbm

Bm G Em A
There is eternity this night, an endless light
Bm G Em A
Signs from above reminding me of home and love
Bm G Em A
I hide my face amid a crowd of velvet stars
Bm A G
See great rings all around my head I'm looking back
Gb Bm
Created to pretend
C Bm A Gb
Created to pretend we never die
G Bm Gbm Dbm
I feel like one coming out of an upper room
Em C D
To fret no more and walk abroad so confirmed

Bm
There's time in hours, in days and years
G Em

Driven by the spheres
Bm
The child, the place, their warm embrace
G Em
What abiding space?
Gb Bm
Created to pretend we never die

(Gbm Dbm Em C Bm D)

G Bm Gbm Dbm
I feel like one coming out of an upper room
Em C
To fret no more and walk abroad
G Bm
So the houses shine in silence
Bm Dbm Em
And the child in me steps in so deep
C Bm
In this unshaded place
Gb Bm
A soul on it's lonely path
Gb
A soul on it's lonely path
