

Daron Malakian and Scars On Broadway - Funny

tom: Abm Abm Bb B Gb

Funny, how you turned red
 When I first said
 Let's join the dead
 Funny, I was driving by
 Feeling really high
 It made me cry

Woouooooooooooooooooohhhhhh
 Ahhhhh

Funny, there were swastikas
 On Santa Monica
 Where they were scarred
 Funny, that no one said
 That you were dead
 And painted red

And they changin' the way that they go
 If I was there with you for long
 Would you be singing me this song?
 I'm holding on
 (Abm Gb E Eb)

Woouooooooooooooooooohhhhhh
 Ahhhhh
 Where Do you Go when you fall on your face?
 It's a place that you never should know
 Is there a reason why people should change
 And they changin' the way that they go
 If I was there with you for long
 Would you be singing me this song?
 I'm holding on 6:-10-9-7-6-
