[Verse]
                                                                                 С
                                                                They can imitate you
           С
                                                                     G
                                                                But they can't duplicate you
They can imitate you
    G
But they can't duplicate you
                                                                Cause you got something special
                                                                      G
                                                                                          F
                                                                That makes me wanna taste you
Cause you got something special
      G
                    F
                                                                                 C
That makes me wanna taste you
                                                                I want it all day long

Cause if you are baby
                                                                You know you could work for me
You know you could work for me
                                                                The way you do it causing jealousy
The way you do it causing jealousy
                                                                But you don't ever gotta worry about the enemy
                                         F
                                                                                      C
But you don't ever gotta worry about the enemy
                                                                They try to do it like you
                                                                                                             F
                      C
