Intro: parte 2

Verso 1

I'm wasted, losing time
I'm a foolish, fragile spine
I want all that is not mine
I want him but we're not right

In the darkness I will meet my creators
And they will all agree, that I'm a suffocator
Intro: parte 1

Verso 2

I should go now quietly

For my bones have found a place
To lie down and sleep
Where all my layers can become reeds
All my limbs can become trees
All my children can become me
What a mess I leave to follow... (x4)

Refrão

In the darkness I will meet my creators
They will all agree, I'm a suffocator
Suffocator (x2)

Ponte

Oh no
I'm sorry if I smothered you (x2)
I sometimes wish I'd stayed inside
My mother
Never to come out
