

Daugtry - High Above The Ground

Tom: C
 You and I both, we come from different worlds G
 I'm a small town kid and you're an uptown girl F
 We've both been hurt, we got a few scars Dm
 But it don't matter now, we're staring at the stars C
 When it comes to my heart you gotta catch and fall G
 Deep down in my soul I know that I would die F
 If I didn't have you how could I ever fly? Dm
 100 miles beyond the sky C

Chorus x2:
 It's feeling like we're high above the ground G
 It's feeling like we never coming down F
 Till' we want to C
 But why would we want to (night)? C

Remember that day, we knew it from the start G
 We've come a long way and we're gonna go far F

I see the future in your eyes Dm
 Forever and always, you and I C
 Chorus x2:
 It's feeling like we're high above the ground G
 It's feeling like we never coming down F
 Till' we want to C
 But why would we want to (night)? C

Bridge:
 When we're so close to heaven C
 Underneath the moonlight, it's paradise G
 It's gonna be too hard to say Dm
 Goodnight yeah C
 Chorus x4:
 It's feeling like we're high above the ground G
 It's feeling like we never coming down F
 Till' we want to C
 But why would we want to (night)? C
