

Daugtry - High Above The Ground

Tom: C

C G
You and I both, we come from different worlds

F
I'm a small town kid and you're an uptown girl

Dm
We've both been hurt, we got a few scars

C
But it don't matter now, we're staring at the stars

C G
When it comes to my heart you gotta catch and fall

F
Deep down in my soul I know that I would die

Dm
If I didn't have you how could I ever fly?

C
100 miles beyond the sky

Chorus x2:

C G
It's feeling like we're high above the ground

F
It's feeling like we never coming down

Till' we want to

C
But why would we want to (night)?

C G
Remember that day, we knew it from the start

F
We've come a long way and we're gonna go far

Dm
I see the future in your eyes

C
Forever and always, you and I

Chorus x2:

C G
It's feeling like we're high above the ground

F
It's feeling like we never coming down

Till' we want to

C
But why would we want to (night)?

Bridge:

C
When we're so close to heaven

G F
Underneath the moonlight, it's paradise

Dm
It's gonna be too hard to say

C
Goodnight yeah

Chorus x4:

C G
It's feeling like we're high above the ground

F
It's feeling like we never coming down

Till' we want to

But why would we want to (night)?
