tom:

Intro: F Bb F Bb F

[Primeira Parte]

The sun in the morning  
 Comes over the hill  
 And kisses the tall grass beside me

[Refrão]

We are so young at heart  
 And living is an art  
 To be good at

[Segunda Parte]

We get our strength in the day time  
 By the sun's golden ray  
 That lasts us into the night time  
 We find ourselves in many ways

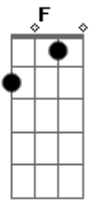

[Terceira Parte]

The sun in the morning

A new day's a dawning  
 Look out your window  
 And see yourself walking  
 Through fields of love  
 And the sky up above  
 Is with you

[Refrão]

We are so young at heart  
 And living is an art  
 To be good at

[Ponte]

Oh God we love you  
 How can we say?  
 We love you  
 How can these bodies say?

[Final] Bb C Am Bb C D
