

Dave Matthews Band - #41

Tom: G

(INTRO)

D
Come and see
G I swear by now I'm playing time against my troubles, oh
Em7 **D** **D**
G I'm coming slow but speeding
D **G**
Do you wish for a dance and while
Em7
I'm in the front
D **D**
My play on time is won
G **Em7** **D** **D** **G** **Em7** **D**
Oh, but the difficulty is coming here

(CHORUS)

G **D** **C**
I will go in this way
G
And find my own way out
D **C**
I won't tell you to stay
But I'm coming to much more

(INTRO 2)

(**D G Em7 D**)
Me
All at once the ghosts come back
Reeling in you now
Oh, tell me what if they came down crushing?

And used to be, you and me play for
all the loneliness that nobody
notices now

Oh, I'm begging slow
I'm coming here
Only waiting
I wanted to stay,
I wanted to play,
I wanted to love you

I'm only this far
And only tomorrow leads the way
I'm coming waltzing back and
moving into your head

(CHORUS)

(**G D C**)

Please, I wouldn't pass this by
Oh, I wouldn't take any more than...
What sort of man goes by...?
I will bring water

Why won't you ever be glad?
It melts into wonder
I came in praying for you

Why won't you run
into rain and pray?
Can a kiss splash all over you?
