Basta ouvir atentamente a musica para encaixar os acordes.

I remember thinking
 I'll go on forever only knowing
 I'll see you again
 But I know
 The touch of you is so hard to remember
 But like that touch I know no other

And for sure we've danced
 In the risk of each other
 Would like to dance
 Around the world with me

I'll be falling all about my own thing
 And I know your the heaviest weight
 When your not here that's hung
 Around my head

::Refrão::
 And your lips burn wild
 Thrown from the face of a child
 And in your eyes

The seeing of the greatest few
 Do what you will, always
 Walk where you like, your steps
 Do as you please, I'll back you up

I remember thinking
 Sometimes we walk
 Sometimes we run away
 But I know
 No matter how fast we are running
 Somehow we keep
 Somehow we keep up with each other

I'll be falling all about my own thing
 And i know your the heaviest weight
 When your not here that's hung
 Around my head

::Refrão::
 And your lips burn wild
 Thrown from the face of a child
 And in your eyes
 The seeing of the greatest few
 Do what you will, always
 Walk where you like, your steps
 Do as you please, I'll back you up
