

## **Dave Matthews Band - Lying In The Hands Of God**

```
Tom: D
                                                                                                                                                                                                                                                                                                        (Bm A G )
                                                                                                                                                                                                                                                                                                        Fill me up now drain me
             (Bm A G )
                                                                                                                                                                                                                                                                                                       Skin begins to grow back slowly
Baby I'll be your soldier
                                                                                                                                                                                                                                                                                                       Faster until I'm chocking
Gladly I'll do your bidding
                                                                                                                                                                                                                                                                                                       I really should call my mother? Mother
For just a taste of what you're holding
For just a taste you could own me...Me
                                                                                                                                                                                                                                                                                                       Save your sermons

                                                                                                                                                                                                                            \mathsf{Em}
                                                                                                                                                                                                                                                                                                        For someone that's afraid to
For someone that's afraid to love
                                                                                                                                                                                                                                                                                                       \mathsf{Em}
                                                                                                                                                                                                                                                                                                                                                                           G
                        G
                                                                                                                                                                                                                                                                                                       Love If you knew what I feel
                                                                                     D
I'll be right here
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  Em
                                                                                                                                                                                                                                                                                                        Then you couldn't be so sure
                                                                                                                                                         Gb
Lying in the hands of god
                                                                                                                                                                                                                                                                                                        I'll be right here
                                    (Bm A G )
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    Gb
Here it comes diving into me
                                                                                                                                                                                                                                                                                                       Lying in the hands of god.
Now the floor is the ceiling
                                                                                                                                                                                                                                                                                                                                                                                                                                                           Rm
If you never flew why would you?
                                                                                                                                                                                                                                                                                                      I am in love with nothing less
Cut the wings off a butterfly... Fly
                                                                                                                                                                                                                                                                                                                             G
                                                                                                                                                                                                                                                                                                        Teardrops of joy run off my face
                   G
                                                                                                                                                                                                                                                                                                               D Em G
