 Riff 3: There's two ways to play this part. 1: the way Dave plays it and 2: the way people with normal hands, fingers and joints play it. I'll show both but the I play it with the second way and it sounds fine.

Dave's way:

My way:

(Riff 3)
 I don't need you to stop the sunshine
 I ain't askin' you to make water into wine
 I ain't askin' you to fly
 (Riff 4 starts on "me" and "you" on the same beat)
 I'm just askin' you to save me
