

# Dave Matthews Band - Save me

Tom: G

Riff 1:

G1 G1 G1 G1  
 Drivin' through the dessert I met a man  
 He told me of his crazy plan  
 He'd been walkin' there for twenty days  
 He was gonna walk on for twenty more  
 Said how 'bout a drink or a bite to eat  
 Said no my faith is all I need  
 Said then save me save me  
 Mister walkin' man if you can  
 You don't need to prove a thing to me  
 Just give me faith make me believe  
 Come on save me save me  
 Mister walkin' man, if you can  
 Come on save me save me  
 Mister stranger, if you please  
 Save me save me..

Riff 2: Emphasis on the bass notes. Dave kind of mutes/muffles the other notes with the beat

stranger... if you... please

Or am I too far gone....  
 (Riff 1 rythm)  
 To get back home  
 To get back home

(Riff 1)  
 How 'bout you take a ride with me  
 We could kill some or shoot the breeze  
 Every whisperin' wind and second counts

G1 G1 G1  
 Oh maybe if you walk but you should drive around  
 And save me save me  
 Mister walkin' man, if you can  
 Come on save me save me  
 Mister stranger, if you please  
 Save me save me..

(Riff 2)  
 Stranger if you please  
 Or am I too far gone....  
 (Riff 1 Rythm)

To get back home  
 To get back home  
 Riff 3: There's two ways to play this part. 1: the way Dave plays it and 2: the way people with normal hands, fingers and joints play it. I'll show both but the I play it with the second way and it sounds fine.

Dave's way:

My way:

(Riff 3)  
 I don't need you to stop the sunshine  
 I ain't askin' you to make water into wine  
 I ain't askin' you to fly  
 (Riff 4 starts on "me" and "you" on the same beat)  
 I'm just askin' you to save me

Riff 4:  
 You might try savin' yourself  
 Why don't you save me  
 You might try savin' yourself  
 As if the moon could  
 Shine, try savin' yourself  
 I saw tears down...  
 There, try savin' yourself  
 Why don't you save me, yeah

## Acordes
