

# Dave Matthews Band - Say Goobye

Tom: D  
Intro: A E D

So here we are tonight, you and me together  
The storm outside, the fire is bright  
And in your eyes I see what's on my mind  
You've got me wild, turned around inside  
And then desire, see, is creeping up heavy, inside here  
And know you feel the same way I do now  
Now let's make this an evening  
Lovers for a night, lovers for tonight

Ponte:  
Stay here with me, love, tonight just for an evening  
When we make our passion pictures,  
you and me twist up secret creatures  
And we'll stay here  
Tomorrow go back to being friends  
( E D )

Go back to being friends  
But tonight let's be lovers, we kiss and sweat  
We'll turn this better thing to the best  
Of all we can offer, just a rogue kiss  
Tangled tongues and lips, see me this way  
I'm turning and turning for you  
Girl, just tonight

Ponte:  
Float away here with me  
An evening just wait and see,

But tomorrow go back to your man  
I'm back to my world And we're back to being friends  
Wait and see me,  
Tonight let's do this thing  
All we are is wasting hours until the sun comes up it's all ours  
On our way here  
Tomorrow go back to being friends

Verso:  
Go back to being friends  
Tonight let's be lovers, oh please tonight let's be lovers  
Say you will, tonight let's be lovers

Oh please, tonight let's be lovers  
Ponte:  
And hear me call, soft-spoken whispering love  
A thing or two I have to say here  
Tonight let's go all the way then  
Love I'll see you  
Just for an evening

Let's strip down, trip out of this  
One evening starts with a kiss  
Run away

Outro:  
And tomorrow back to being friends, yeh now  
Lovers....love.....you  
Just for tonight, one night...love you  
And tomorrow say goodbye  
Tomorrow say goodbye  
Tomorrow say goodbye

## Acordes
