Tom: C  
Intro: Dm

Sometimes I feel like I'm falling

Bb C Dm  
Fall back again (4x)

Dm  
Oh, life it seems a struggle between  
What we see and what we do

C  
Well I'm not going to change my ways  
Dm  
Just to please you or appease you

Oh, look at this a crowd, six billion proud  
Willing to punch it out

C  
Right, wrong, weak, strong

Dm  
Ashes to ashes all fall down  
Look around about this round  
About this merry-go-round and around

C  
Well if at all God's gaze upon us fall  
Dm  
His widom mischievous grin, look at him

Bb  
Forget about the reasons and  
C Dm  
The treasons we are seeking

Bb  
Forget about the notion that  
C Dm  
Our emotions can be kept that day

Bb  
Forget about being guilty,  
C Dm  
We are innocent instead

Bb C Dm  
For soon we will all find our lives swept away  
(repete os acordes da primeira estrofe)

Oh Look at me in my fancy car  
And my bank account  
Oh, how I wish I could take it all down  
Into my grave, God knows I'd save and save  
Man, take a look again, take a look again,  
All the things I have collected  
Well in the end it all will ? absolut all,  
To one big nothing, one big nothing at all

Bb  
Forget about the reasons and  
C Dm  
The treasons we are seeking  
Bb  
Forget about the notion that  
C Dm  
Our emotions can be kept that day

Late at night the TV's hungry child  
Is belly swelled

I could keep alive those hungry eyes  
Man, take a look again, take a look again, take a look again  
Everyday things change or the basically  
You and me stay the same
