Sometimes I feel like I'm falling

Bb C Dm
Fall back again (4x)

Dm
Oh, life it seems a struggle between
What we see and what we do

Well I'm not going to change my ways
Dm
Just to please you or appease you

Oh, look at this a crowd, six billion proud
Willing to punch it out

C
Right, wrong, weak, strong

Dm
Ashes to ashes all fall down
Look around about this round
About this merry-go-round and around

C
Well if at all God's gaze upon us fall
Dm
His widom mischievous grin, look at him

Bb
Forget about the reasons and
C Dm
The treasons we are seeking

Bb
Forget about the notion that
C Dm
Our emotions can be kept that day

Forget about being guilty,
C Dm
We are innocent instead

Bb C Dm
For soon we will all find our lives swept away
(repete os acordes da primeira estrofe)

Oh Look at me in my fancy car
And my bank account
Oh, how I wish I could take it all down
Into my grave, God knows I'd save and save
Man, take a look again, take a look again,
All the things I have collected
Well in the end it all will ? absolut all,
To one big nothing, one big nothing at all

Bb
Forget about the reasons and
C Dm
The treasons we are seeking
Bb
Forget about the notion that
C Dm
Our emotions can be kept that day

You and me stay the same
