

Dave Matthews Band - When The World Ends

I noticed that there are no tabs of this song here at the moment so i thought I'd tab
I hope i do an ok job as Stefan Lessard is an AMAZING bassist, anyway here goes;

Verse:
G-----|
D-----|
A-----77--3h5-5--|
E-77--3h5-5-----|

do that and add in a couple of improv notes, listen to New York concert for examples.
do this;

Chorus:
G-----|
D-----|
A-8888444466668888

Acordes

E-----

Bridge (1:42):
G-----|
D---3--5--7-----|
A-5-----|
E-----|

add some more improv in the bridge aswell cos it sounds pretty cool

there is a breakdown towards the end of the song so basically just jam along, play you like which fits

and thats it
