

Davi Primavera - João e Marina

Tom: D
Intro: D7M D Eb Em7 A A7

Eu te convidei pra sair conhecer um novo lugar
Onde tudo está tão vazio esperando alguém pra ocupar

Vejo em seus olhos brilhar uma estrela a me seguir
Procurando um novo caminho encontrando outro habitar
Intro: (1x)

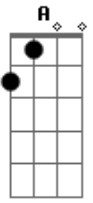

Quero me entregar de uma vez sem me preocupar com as razões
Que me induziram a seguir para os braços de uma paixão

Vejo tanta coisa mudar os meus sentimentos talvez
Estejam prontos para seguir o que tanto espero encontrar
