

# Davi Primavera - Sinto Frio

Tom: **A**

Intro: **A7M A7M A7M A7M D7M D7M**

**A7M A7M D7M D7M**  
Sinto frio nem consigo caminhar

**A7M A7M D7M D7M**  
É vazio sem teu cobertor

**E Am E7**  
E o sol se pôs

( **A7M A7M A7M A7M D7M D7M** )

**A7M A7M D7M D7M**

Nu teu corpo nunca mais terá  
**A7M A7M D7M D7M**

O teu gosto que me fez acreditar  
**E Am E7**

Que as verdades que existiam entre nós  
**A7M A7M**

Me levaram a mentir

**E Am E7**

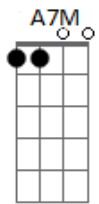

E agora o tempo veio me cobrar

**A7M A7M A7M A7M**  
Tudo aquilo que eu não fiz

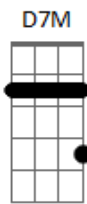

**D7M D7M**

Que eu não fiz
