

David Benjamin - Already December

tom:
 G
 Look it's almost midnight
 Bm
 I hear your moma say
 F Am7 Am
 "Is everybody ready for the countdown?"
 G
 Can someone "neat" the fireworks
 Bm
 Champagne on your lips
 F Am7
 It's been a while but I should do remember
 G
 How have you been?
 What's going on?
 Bm
 Tell me about your dreams
 Are they coming along?
 F
 I was gonna say
 Why did you leave?
 Am7
 Where did you go?
 G
 Yeah I've been fine, taking it slow
 Bm7 Bm
 Went out to see the sun but it's starting to snow
 F
 But now I realise
 Am7 Am
 It really flies
 G
 It's already December
 D
 I don't think I wanna know
 Am7 C
 The only thing it does to me
 D
 Is make me feel old
 G
 It's already December
 D
 And though it's been a long time
 Am7 C
 It'll always seem like only yesterday
 G
 When it rained on the weekends
 Bm
 You and I had a deal
 F Am7 Am
 I'll play guitar if you play the piano
 G
 Another thing we love to do
 Bm7 Bm
 Is break each other's hearts
 F Am7
 Cause you know you are in love when you're in pain
 G
 So how have you been?
 What's going on?
 Bm

Tell me about your dreams, are they coming along?
 F
 I was gonna say
 Why did you leave?
 Am7
 Where did you go?
 G
 Yeah I've been fine, taking it slow
 Bm7 Bm
 Went out to see the sun but it's starting to snow
 F Am7
 When the days go short and the trees all start to glow
 Then you just know
 G
 It's already December
 D
 I don't think I wanna know
 Am7 C
 The only thing it does to me
 D
 Is make me feel old
 G
 It's already December
 D
 And though it's been a long time
 Am7 C
 It'll always seem like only yesterday
 D Am7
 When you were mine
 G
 When you were mine
 C
 When you were mine
 Cm7
 When you were mine
 Em G
 I'm glad you found yourself a man
 Bm
 He better be good to you
 F Am
 Cause in a way you'll always be my baby
 G
 It looks like I'm the only one
 Bm
 I'm still trying to figure it out
 F Am
 But I've been making new year's resolutions
 G
 Cause it's already December
 D
 I don't think I wanna know
 Am7 C
 The only thing it does to me
 D
 Is make me feel old
 G
 It's already December
 D
 And though it's been a long time
 Am7 C D
 It'll always seem like only yesterday
 Am G C
 Yeah it'll always seem like only yesterday
 G
 When you were mine
