

David Bowie - As The World Falls Down

Tom: **A**
Intro: dução : **A Gbm D Dm**

There's such a **A** sad love

Deep in your eyes.

A kind of **Gbm** pale jewel

Open and closed

Within your eyes.

I'll place the **Dm** sky

Within your **A** eyes.

There's such a **A** fooled heart

Beatin' so fast

In search of **Gbm** new dreams.
A love that will last

Within your **D** heart.

I'll place the **Dm** moon

Within your **A** heart.

As the **Bm** pain sweeps through,

Makes no **Dm** sense for you.

Every **A** thrill is gone.

Wasn't too much **Gb** fun at all, **A**

But I'll be there for you-ou-ou **Gb**

As the world falls down. **A**

Falling. **Gbm D Dm**

Falling in **A** love.

I'll paint you mornings of **A** gold.

I'll spin you Valentine evenings.

Though we're **Gbm** strangers 'til now,

We're choosing the path

Between the **D** stars.

I'll leave my **Dm** love

Between the **A** stars.

As the **Bm** pain sweeps through,

Makes no **Dm** sense for you.
