

David Bowie - As The World Falls Down

Tom: A
Intro: dução : A Gbm D Dm

There's such a ^A sad love
Deep in your eyes.
A kind of ^{Gbm} pale jewel
Open and closed
Within your eyes.
I'll place the ^{Dm} sky
Within your eyes.
There's such a ^A fooled heart
Beatin' so fast
In search of ^{Gbm} new dreams.
A love that will last
Within your heart.
I'll place the ^{Dm} moon
Within your heart.
As the pain ^{Bm} sweeps through,
Makes no ^{Dm} sense for you.
Every thrill is gone.
Wasn't too much fun at all, ^A
But I'll be there for you-ou-ou
As the world falls down.
Falling. ^{Gbm D Dm}
Falling in love.
I'll paint you mornings of gold.
I'll spin you Valentine evenings.
Though we're strangers 'til now, ^{Gbm}

We're choosing the path
Between the stars.
I'll leave my love
Between the stars.
As the pain ^{Bm} sweeps through,
Makes no ^{Dm} sense for you.
Every thrill is gone.
Wasn't too much fun at all, ^A
But I'll be there for you-ou-ou
As the world falls down.
