You promised me the ending would be clear, you'd let me know
when the time was now
Db Fm Eb
Db
Don't let me know when you're opening the door, stab me in the
dark let me disappear
Memories that flutter like bats out of hell, stab you from the
city spires
Life wasn't worth the balance, or the crumpled paper it was
written on

Fm Fm Fm7
Don't let me know we're invisible,

Fm Eb C
Fm
Hot cash days that you trailed around, cold cold nights under
chrome and glass
Db Fm Eb

Led me down river of perfumed limbs, sent me to the streets
with the good time girls

Fm Fm Fm7
/:Don't let me know we're invisible:/, we could dance dance
dance through the fire
Db Eb Fm
Feed me no lies, I don't know about you I don't know about you
Breathe through the years, I don't know about you I don't know
about you
Bring me the disco king, I don't know about you I don't know
about you
Db Eb Db Eb
Dead or alive, Feed me no lies
Fm
/:Bring me the disco king:/

Spin-offs with those who slept like corpses, damp morning rays
in the stiff bad clubs
Killing time in the '70s, smelling of love through the moist
winds
Don't let me know when you're opening the door, close me in
the dark let me disappear
Soon there'll be nothing left of me, nothing left to release
