 Time may change mE|-- but i cant trace time

I watch the ripples change their size
 But never leave the stream
 Of warm impermanence.
 And so the days flow thru my eyes

But the days still seem the same.
 And this children you spit on
 As they try to change their worlds,
 Are immune to your consultations.
 They're quite aware of what they're going thru.

you've left us up yo our neck in it.
 Time may change me, but you can't trace time.

Strange fascination fascinating me.
 Oh changes are taking the place I'm going thru.

Time may change me, But i can't trace time.

"I wish David Bowie was killed by a car accident right after he finished making [his album] LOW " - MORRISSEY

The Chords by Guez Ofer are completely spot on...good work... All that was missing was the intro...which wasn't too hard to tab out:

Here it is:
 Intro: (FM)
 (played by trumpetspiano in the original song...)

Yeah....

Repeated twice. It also comes up once or twice during the song.

Also Guez didn't put the chords for this bit. I figured out these chords at home but I forgot to write them... Off the top of my head:

^C ^{Am} ^F ^C ^F
 Strange fascinations fascinating me
^C ^{Am} ^{G7}
 Oh changes are taking the place I'm going thru.
