Opening doors and pulling some strings, angel

Never look back, walk tall, act fine

D Bm D Bm

G C A Gb Bm Em7  
Nothing's gonna touch you in these golden years.... gold

Gb E Gb E Gb E  
Golden years, gold, whop whop whop

Gb E  
(Come get up my baby)

One of these days, and it won't be long  
Gonna drive back down where you once belonged  
In the back of a dream car, twenty foot long  
Don't cry my sweet, don't break my heart  
Doing all right, but you gotta get smart  
Wish upon, wish upon, day upon day,  
I believe oh lord, I believe all the way (Come get up my baby)  
Run for the shadows, run for the shadows  
Run for the shadows in these golden years

There's my baby, lost that's all  
Once I'm begging you, save her little soul  
Golden years, gold, whop whop whop  
(Come get up my baby)

Don't let me hear you say life's  
Taking you nowhere, angel  
(Come get up my baby)  
Run for the shadows, run for the shadows  
Run for the shadows in these golden years

I'll stick with you baby for a thousand years  
Nothing's gonna touch you in these golden years, gold

Golden years, gold, whop whop whop  
Golden years, gold, whop whop whop  
Golden years, gold, whop whop whop.....
