CHORUS

LAST TWO CHORDS: A G (with toggle switch)

VERSES: Behind the strumming acoustic there is an electric:
G C Am C G

CHORUS:
Em E F G

Then another guitar joins and they play two different
melodies:

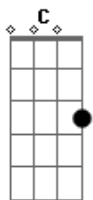

A

A

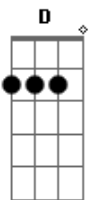

PRE 2nc CHORUS: Just before the second chorus there is a
little subtle
background lick just after the words 'touch me':
G

LAST 2 CHORDS: The last two chords of the song are 'A' to 'G'.
The effect at the end is
achieved by using a Les Paul style guitar and turning the top
volume, for the neck
pickup, off and then whilst holding the G flicking the toggle
switch quickly. It helps
if you stand next to a loud amp aswell, because then you get
the feedback starting to
creep in!!!
