

David Bowie - Letter To Hermione

Tom: **G**
Intro: (Hum along with the intro following the same notes).

Em
So I've been writing just for you

E A D G B E

(When you're changing from the **C** chord back to **Am7** you can use the **Gmaj** as a link between the chords to make it sound more Bowie).

Verse2.

They say your life is going very well
They say you sparkle like a different girl
But something tells me that you hide
When all the world is warm and tired
You cry a little in the dark
Well so do I
I'm not quite sure what you're supposed to say
But I can see it's not okay

Verse1.

Am7 The hand that wrote this letter **C** Sweeps the pillow clean
Am7 So rest your head and read a treasured dream **C**
Em7sus4 I care for no one else but you **Em**
I tear my soul to cease the pain **C**
I think maybe you feel the same **Em7sus4**
What can we do? **Em**
I'm not quite sure what we're supposed to do **C** **Em7sus4**

Verse3.

He makes you laugh
He brings you out in style
He treats you well
And makes you up real fine
And when he's strong
He's strong for you
And when you kiss
It's something new
But did you ever call my name
Just by mistake?
I'm not quite sure what I'm supposed to do
So I'll just write some love to you

Acordes
