Look back in anger, driven by the night
Gbm
Till you come

No one seemed to hear him
So he leafed through a magazine
G
And, yawning, rubbed the sleep away
Very sane he seemed to me

E
(Waiting so long, I've been waiting so, waiting so)
D
A
Look back in anger, driven by the night
Gbm
Till you come
E
(Waiting so long, I've been waiting so, waiting so)
D
A
Look back in anger, hear in my voice
Gbm
C
Till you come

Waiting so long...
Waiting so long, I've been waiting so, waiting so
Waiting so long, I've been waiting so, waiting so
Waiting so long, I've been waiting so, waiting so
Waiting so long...
