

David Bowie - The Stars (Are Out Tonight)

Tom: A

Gbm **D**
 Uh Uh Uh Uh (2x) Stars are never sleeping
Gbm **D**
 Uh Uh Uh Uh (2x) Dead ones and the living

Gbm **D**
 We live closer to the earth and nearer to the heavens
Gbm **D**
 The stars are never far away and the stars are out tonight
Gbm **D**
 They watch us from behind their shades, Bridgitte, Jack and
 Kate and Brad
Gbm **D**
 From behind their tinted window stretch, gleaming like
 blackened sunshine

Gbm **D**
 Uh Uh Uh Uh (2x) Stars are never sleeping
Gbm **D**
 Uh Uh Uh Uh (2x) Dead ones and the living

Gbm **D**
 Waiting for the first move, satyrs and their child wives
Gbm **D**
 Waiting for the last move, soaking up our primitive world
Gbm **D**
 Uh Uh Uh Uh (2x) Stars are never sleeping
Gbm **D**
 Uh Uh Uh Uh (2x) Dead ones and the living

(Refrão)
E **D**
 Their jealousy's spilling down, the stars must stick together
Gbm **D**
 We will never be rid of the stars, but I hope they live
 forever
E **D**

And they know just what we do, what we toss and turned at
 night
Gbm **D**
 They're waiting to make their moves, But the stars are out
 tonight
Gbm **D**
 Here they are upon the stairs, sexless and unaroused
Gbm
 They are the stars, they're dying for you
D (**Gbm E D Db**) **D Gbm D**
 But I hope they live forever

Gbm
 They burn you with their radiant smiles and
D
 Trap you with their beautiful eyes
Gbm
 They're broke and shamed or drunk or scared
D
 But I hope they live forever

(Refrão)
E **D**
 Their jealousy's spilling down, the stars must stick together
Gbm **D**
 We will never be rid of the stars, but I hope they live
 forever
E **D**
 And they know just what we do, what we toss and turned at
 night
Gbm **D**
 They're waiting to make their moves, But the stars are out
 tonight Yeah, Yeah
D **Gbm**
 The stars are out tonight
D **Gbm**
 The stars are out tonight
