

# David Bowie - The Supermen

Tom: F

F G  
 F  
 When all the world was very young  
 G  
 And mountain magic heavy hung  
 F  
 The supermen would walk in file  
 G  
 Guardians of a loveless isle  
 Am Am F  
 And gloomy browed with superfear their tragic endless lives  
 E  
 Could heave nor sigh  
 In solemn, perverse serenity  
 F G  
 Wonderous beings chained to life

CHORUS #1:

F G F G  
 Strange games they would play then, no death for the perfect  
 men

Ab Bb Am F Ab C  
 Life rolls into one for them, so softly a supergod cries

Where all were minds in uni-thought  
 Power wield by mystics taught  
 No pain, no joy, no power too great  
 Colossal strength to grasp a fate  
 Where sad eyed mermen tossed in slumber  
 Nightmare dreams no mortal mind could hold  
 Man would tear his brother's flesh  
 A chance to die, to turn to mold

CHORUS #2:

Far out in the red sky, far out from the sad eyes  
 Strange, mad celebration, so softly a supergod cries

CHORUS #3:

Far out in the red sky, far out from the sad eyes  
 Strange, mad celebration, so softly, a supergod dies

F: alternate bass notes between F and E  
 G: alternate bass notes between G and E
