Tom: F

D D D D Bb C E7sus E7  
 D D D D Bb  
 Solemn faced the village settles down, undetected by the stones  
 A Bbdim  
 And the hangman plays the mandolin before he goes to  
 D D D D Bb  
 Sleep, and the last thing on his mind  
 A Bbdim  
 is the wild-eyed boy imprisoned 'neath the  
 D D D D Bb  
 covered wooden shaft, folds the rope into it's bag.  
 A Bbdim  
 Blows his pipe of smolders, blankets  
 D D D D Bb  
 smoke into the room, and the day will end for some.  
 C G F E7sus E7  
 As the night begins for one.

(Chords the same until they pick up again)  
 Staring through the message in his eyes lies a solitary son  
 from the mountain called the freecloud where the eagle dare not fly,  
 and the patience in his sigh gives no indication for the townsmen  
 to decide, so the village dreadful groans pronouncing gross diversion  
 as the label for the dog. Ooo it's the madness in his eyes  
 C G  
 As he breaks the night to cry  
 D D D D Bb  
 Its really me, really you and really me  
 A Bbdim  
 It's so hard for us to really  
 D D D D Bb  
 be, Really you, really me,

A Bbdim  
 You'll lose me though I'm always really  
 D D D D C C C C  
 free.  
 C C7  
 And the mountain moved it's eyes to the world and realized  
 Bb Ab C  
 E7sus E7  
 Where the snow had saved a place for the wild-eyed boy from free cloud  
 (Same chords)  
 And the village dreadful cried as the moat began to rise  
 For the smile stayed on the face of the wild-eyed boy from freecloud.  
 G C  
 And the women once proud clutched the heart of the crowd  
 G C  
 as the boulders smashed down from the mountains hand.  
 Am C  
 And the magic in the stare of the wild-eyed boy said  
 Am C E7sus E7  
 "Stop Free Cloud, they won't think to cut me down, no, no, no!"  
 F C F C  
 But the cottages fell like a playing card hell  
 Bb F C  
 and the tears on the face of the wise boy  
 F C F C  
 came trembling down to the rumbling ground  
 Bb F C  
 and the missionary mystic of peace/love  
 D D D D Bb  
 Stumbled back to cry among the clouds  
 A A#sus D D C  
 Kicking back the pebbles from the Free Cloud mountain's track.
