

# David Choi - By My Side

Tom: Db

m <sup>E</sup> <sup>B</sup>  
I'm just listening to the clock

Go ticking, I am waiting <sup>Abm</sup> <sup>A</sup>

As the time goes  
By

<sup>E</sup>  
I think of you  
With every breath I take <sup>B</sup>  
I need to feel <sup>Abm</sup>

Your heart beat next to  
Mine <sup>A</sup> <sup>Abm</sup>

<sup>Gbm</sup> <sup>B7</sup>  
You're all I see  
In everything <sup>Gbm</sup> <sup>B7</sup>

<sup>E</sup>  
I just wanna hold you <sup>Abm</sup>  
I just wanna kiss you <sup>Dbm</sup> <sup>A</sup>  
I just wanna love you all my life

<sup>E</sup>  
I normally wouldn't say this <sup>Abm</sup>  
but I just cant contain it <sup>Dbm</sup>  
I want you here forever <sup>Am</sup>  
Right here by my side

( E )

<sup>E</sup> <sup>B</sup>  
All the fears you feared inside <sup>Abm</sup>  
And all the tears youve cried <sup>A</sup>  
They're ending right here

<sup>E</sup>  
I'll heal your heart and <sup>B</sup>

So I'll keep you all so close  
Dont worry, I'll never let you go <sup>Abm</sup> <sup>A</sup> <sup>Abm</sup>

<sup>Gbm</sup> <sup>B7</sup>  
You're all I need  
You're everything <sup>Gbm</sup> <sup>B7</sup>

<sup>E</sup>  
I just wanna hold you <sup>Abm</sup>  
I just wanna kiss you <sup>Dbm</sup> <sup>A</sup>  
I just wanna love you all my life

<sup>E</sup>  
I normally wouldn't say this <sup>Abm</sup>  
but I just cant contain it <sup>Dbm</sup>  
I want you here forever <sup>Am</sup>  
Right here by my side

<sup>Dbm</sup>  
No one else would ever do <sup>Abm</sup>  
I gotta stubborn heart for you <sup>A</sup> <sup>B</sup>  
Call me crazy but it's true  
I love you

<sup>Dbm</sup> <sup>Abm</sup>  
I didnt think that it would be <sup>A</sup>  
You made it clear for me <sup>B</sup>  
You're all I need

<sup>E</sup>  
I just wanna hold you <sup>Abm</sup>  
I just wanna kiss you <sup>Dbm</sup> <sup>A</sup>  
I just wanna love you all my life

<sup>E</sup>  
I normally wouldn't say this <sup>Abm</sup>  
but I just cant contain it <sup>Dbm</sup>  
I want you here forever <sup>Am</sup>  
Right here by my side
