

David Fonseca - At Your Door

Tom: C

I feel ^Ftired, I feel ^Cundone
 I don't know what was I running from
 I woke up and I saw a face
 For a moment I thought that you were someone else. Someone real
 I played a hero and played it tough. I did my best, I did enough
 I stretched my arms around the Sun
 But they can't find you in this wilderness of hope
 Like I wish they did
 (C G C Am G)

Now I'm standing at your ^Cdoor, will you take me in once more?
 Now I'm standing at your ^Cdoor, will you take me in once more?
 I feel calm and I feel safe. I'm all awake, unafraid

In the comfort of the dawn
 All over the walls and rooftops of your town, I wrote your name
 (C G C Am G)

Now I'm standing at your door, will you take me in once more?
 Now I'm standing at your door, will you take me in once more?
 As I'm standing at your door, as these tears begin to pour
 Now I'm back here at your door, will you take me in once more?
 (C Am G)(2x)

Are you the one? Are you the one I've been waiting for?
 Are you the one? Are you the one I've been waiting for?
 (C Am G)

Are you the one? Are you the one I've been waiting for?
 Are you the one? Are you the one I've been waiting for?
