

David Fonseca - The 80's

Tom: C
Intro: 2x: C Bb F G

C Bb F
You saw me sitting on the corner
And you just sat there right next to me
You asked me "Are you feeling lonely?"
Well loneliness is just a word, you see
I came here just for the music
For all the things that it makes me feel
I came to exorcise my demons
To bury those days when only pain was real
G C F
Treat me right, my dreams will come true tonight,
Come with me, set me free, we'll be alright
Refrão:
I should have met you in the 80's
Back when I was the dance floor queen
Maybe you think that I'm too old for dancing
You should have met me when I was 16
Now baby
Dance, dance, dance, dance, dance, dance, you know what I mean
Dance, dance, dance, dance, dance, dance, like you were sixteen
Ab C Ab C Ab C
Hey! Hey! Hey!
C Bb F
Tonight I'm drinking myself sober
'Till I see what I want to see
A few more drinks and you will be the perfect lover

You will be the one that I truly believe

G C F
That is right, my dreams will come true tonight,
Am G C
Come with me, set me free, we'll be alright
