

David Fonseca - U Make Me Believe

Tom: G
Intro: 4x: Em C D

I write down all my secrets, but I don't feel self-assured
I swallow them as soon as someone enters my bedroom door

There's something I need so say
But I'll wait, I'll wait for you

I'll get rid of the evidence
Of all the blood stains in my clothes

There's so many things I need to say
And no one to say them to, but you

Because you, you take me, you make me believe
(Em C D)(4x)

There's a crowd of vultures, that are tightening up the siege
They feed on the random lovers that fall short on their beliefs

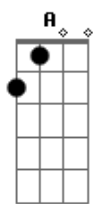

Well, I won't fall short on my ways
I'll cross these storms through, for you

Because you, you take me, you make me believe
(Em D C G)(4x)

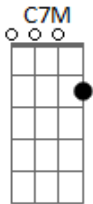

There's so many things I need to say
And I'll keep them until I get them through, to you

Because you, you take me, you make me believe
Believe, believe, believe
(G C D)4x
(G)
