Ever since I saw you

It sees right through me

You feet rest on my shoes
I sing this song for you
                                                                    Ε

Just to see you smile
