

David Gilmour - There's no way out of here

Tom: C

There's no way out of here

When you come in

You're in for good

There was no promise made

The part you played

The chance you took

There are no boundaries set

The time and yet

You waste it still

Em G Em D Am

So it slips through your hands

Like grains of sand

You watch it go

There's no time to be lost

You'll pay the cost

So get it right

There's no way out of here

When you come in

You're in for good

There never was there an answer

Am F Em C
There an answer
G / D / Em / D C / Bm
Not without listening
Am F Em
Without seeing

There are no answers here
When you look out
You don't see in
There was no promise made
The part you played
The chance you took
There's no way out of here
When you come in
You're in for good

There never was there an answer
There an answer
Not without listening
Without seeing

There's no way out of here
When you come in
You're in for good
There are no answers here
When you look out
You don't see in
There was no promise made
The part you played
The chance you took

There's no way out of here
When you come in
You're in for good
There's no way out of here
When you come in
You're in for good
There are no answers here
When you look out
You don't see in
There's no way out of here
When you come in
You're in for good
