

David Guetta - Lovers on the Sun

Tom: D

Bm **D**
 Let's light it up, let's light it up
 Until our hearts catch fire
Bm **D**
 Then show the world a burning light
 That never shined so bright
Bm **D**
 We'll find a way, we'll find a way
 To keep the cold night
Bm **D**
 From breaking in over the walls
 Onto the wild side
D **A** **Bm** **D** **A**
 The hunger satisfied

Bm **D**
 We're burning up
Gbm **E** **Bm** **D**
 We might as well be lovers on the sun, oh, oh
Gbm **E** **Bm** **D**
 We might as well be lovers on the sun, oh, oh
Gbm **E** **Bm** **D**
 We might as well be lovers on the sun

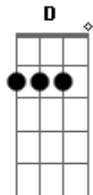

Bm **D**

We'll never know, we'll never know
 What stands behind the door
Bm
 But I got a feeling
 And it's a feeling it's worth dying for
Bm **D**
 Just close your eyes and hold your breath
 Because it feels right
Bm **D** **A** **Bm**
 We'll keep it moving until we make it to the other side
D **A** **Bm** **D** **A**
 And let's enjoy the ride

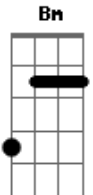

Bm **D**
 We're burning up
Gbm **E** **Bm** **D**
 We might as well be lovers on the sun, oh, oh
Gbm **E** **Bm** **D**
 We might as well be lovers on the sun

Bm **D**
 Let's light it up, let's light it up
 Until our hearts catch fire
Bm **D**
 Then show the world a burning light
 That never shined so bright
