

# David Kushner - Skin And Bones

tom:  
 Db (forma dos acordes no tom de G )  
 Capostraste na 6ª casa

I fantasized I feel you like a bullet  
 And all your layers to the fullest  
 But the heavens won't come down near  
 ( Em D C G Em )

Hm-mm, hm-mm  
 You deceiving, wayward woman  
 You're a false prophet at the pulpit  
 The condition of your soul is eroding

[CHORUS]

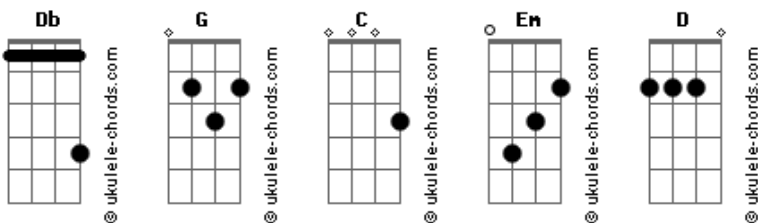

Wrap me in your skin and bones, yeah, you're electrical  
 Oh, I'm gonna lose control, yeah, as you pull me close  
 Wrap me in your skin and bones, yeah, you're electrical  
 Oh, I'm gonna lose control

As your flatter talk shivers down my spine  
 I hear the holy one exposing all the lies  
 Lord, forgive me, I know my blasphemy tonight  
 She has the lips red as cherry wine  
 A poisonous kiss, she's part of the swine  
 Our salvation won't be sacrificed

[CHORUS]

Wrap me in your skin and bones, yeah, you're electrical

## Acordes

Oh, I'm gonna lose control, yeah, as you pull me close  
 Wrap me in your skin and bones, yeah, you're electrical  
 Oh, I'm gonna lose control

But I wanna stop, yeah, I just need to see  
 If your love's the truth or the spirit of deceit  
 So, I wanna talk, baby, give it all to me  
 There's honey dripping from your teeth

[CHORUS]

Wrap me in your skin and bones, yeah, you're electrical  
 Oh, I'm gonna lose control, yeah, as you pull me close  
 Wrap me in your skin and bones, yeah, you're electrical  
 Oh, I'm gonna lose control

Wrap me in your skin and bones, yeah, you're electrical  
 Oh, I'm gonna lose control, yeah, as you pull me close  
 Wrap me in your skin and bones, yeah, you're electrical  
 Oh, I'm gonna lose control

But I wanna stop, yeah, I just need to see  
 (Wrap me in your skin and bones, yeah, you're electrical)  
 If your love's the truth or the spirit of deceit  
 (Oh, I'm gonna lose control, yeah, as you pull me close)  
 So, I wanna talk, baby, give it all to me  
 (Wrap me in your skin and bones, yeah, you're electrical)  
 There's honey dripping from your teeth

(Oh, I'm gonna lose control)
