

David Lambert - Outlaws

Tom: D

^D
I took you at your word ^A

^G
When you said you would steal my heart ^D

^D ^A
Yeah this might sound absurd

^G
But would you be my thief

^D
Take all of me

^A
Every part

^G ^D
Love love love is my crime

^A ^G
So baby come catch me and let's do the time

^D
I think we might be outlaws

^A
I think I might be in love

^G
'Cause I'm all out of reasons

^G
Like seasons

^{Dm}
Winter, summer, fall

^D
They're all washed up

^D
If you're still way over there

^A
Maybe slide on in by my side

^G
'Cause I'm just an outlaw

^G ^D
Wanted if you want me

^C ^C
I love you everyday and every night

^{Em} ^G
Oh whoa

^D ^A
Lock me up for good

^G ^D
Right here in your arms

^D ^A
You vandalize my neighbourhood

^G
With your piercing eyes

^D
And devilish charm

^C ^F ^A ^{Em}
Love love love is my crime

^G ^D ^A
So baby come catch me and let's do the time
